IMPORTANT WORD REGARDING ORDERING

All F. O. B. Seattle prices herein quoted are all-inclusive and include the following, all of which amount to a substantial total (and which you pay for, over and above your cost of goods when you order F. O. B. Holland).

1. Cases
2. Packing
3. Inland charges in Holland
 - (a) Railroad or canal freight or other drayage charges from bulb warehouses to port.
 - (b) Foreign brokers' loading charge.
 - (c) Foreign brokers' forwarding charges.
 - (d) Insurance.
4. Ocean freight.
5. U. S. duty.
6. Complete insurance coverage from Holland to New York covering against heating, perils of the sea and war risk.

Where quotations are made F. O. B. Holland then the customer pays charges from Holland to his place of business. F. O. B. West Coast quotations cover clearance in N. Y. and freight to Seattle, Washington. Where customer orders F. O. B. West Coast he pays only the transportation from Seattle to his place of business.

ACT IMMEDIATELY. YOU SAVE ON PREPACKED SHIPMENTS IF YOUR ORDER REACHES US BY AUGUST 10

Orders of \$150.00 and over can be specially packed by our growers in Holland, but your order must be sent in immediately for us to cable Holland not later than August 10. You will receive the benefits of any savings, including freight, by having the shipment routed to you direct through New York, Montreal, Chicago or Seattle.

PRICE CHANGES

Because of a changing market on many items, we reserve the right to withdraw any prices without general notice to the trade. All orders are subject to crop, safe arrival this country, and to governmental orders, quarantines, or regulations. All merchandise is subject to prior sale.

STANDARD COTTAGE TULIPS

Taking their name from the old cottage gardens in England where they have, for the most part, been found, these beautiful oblong-shaped flowers with narrow bases come in a wide variety of exquisite colors. The stems are long, slender, and generally strong. Note the varieties of yellow, which color is rare in other classes of tulips. Cottage varieties do their best in beds or borders and flower just before summer bedding plants come in bloom. As such, they are definite additions to and a part of every well-planned garden.
